Network Premier Sponsor

\$15,000

Network Premier Sponsorship provides an increased level of support for the Network and its mission while elevating your brand. This sponsorship empowers your organization to contribute to the design and development of public-private programs, policies and resources that shape the US offshore wind industry. This industry-leader level gives you all the basic membership benefits and adds brand exposure through the use of your corporate logo on all Network activities; the ability to serve on the Network board of directors and advisory committees, industry contribution and thought leader media placement, priority in speaker selection for events, development of customized events to help meet your mission and objectives, and invitations to exclusive, smaller events.

This is a customized package starting at \$15,000.
 Please contact Liz@offshorewindus.org to discuss what works for your company.
