ABOUT THE VENTUS AWARDS

The Business Network for Offshore Wind presents the Ventus Awards. The Network's highest level of professional recognition, celebrating the trailblazing people, companies, organizations, and work ushering in the global adoption of offshore wind energy.

The Ventus Awards shine a spotlight on those who are making a difference in the world through their talent, drive, and commitment to advancing the offshore wind industry and improving the environment. Awards are presented in ten categories designed to honor all contributions and facets of the offshore wind industry.

On November 17, 2022 the Network will host a black-tie gala in Washington D.C. where preeminent industry leaders, supporters and advocates gather to present the Ventus Awards and celebrate the growth, successes and excellence in our industry.

Be a part of this special event, celebrate award winners, and show your support of the industry through our ***sponsorship opportunities***.

TABLE & TICKET SALES

Available June 2022
*10% of all table and ticket sales will be donated
to the Offshore Wind Scholarship Fund*

The Ventus Awards are produced by The Business Network for Offshore Wind

The Business Network for Offshore Wind is a nonprofit, educational organization with a mission to develop the offshore wind renewable energy industry and its supply chain. The Network partners with industry and government to build an innovative supply chain that will create and sustain jobs, benefiting local economies and ensuring a cost-effective clean energy portfolio. We advance this through collaboration, education, and innovation, bringing together global developers, policymakers, academia, and leading experts to grow this new and vital offshore wind industry that provides a practical solution to climate change and creates well-paying jobs.
