ABOUT THE VENTUS GALA

The Business Network for Offshore Wind's Ventus Gala brings together the global offshore wind community to celebrate our collective accomplishments as well as honor the leaders and innovators that inspire the industry with ingenuity and confidence. Join your peers and colleagues at the annual black-tie event, taking place November 9, 2023 in Boston, and enjoy an evening of coming together to share in the growth, achievements, and excellence in our industry.

The Ventus Gala is a black-tie event where preeminent industry leaders, supporters, and advocates gather to celebrate the global offshore wind industry's accomplishments as well as honor the year's Ventus Awards recipients – companies, organizations, and

individuals who are setting a path to move the offshore wind industry forward with their innovative, collaborative, and ground-breaking work.

Join us for an evening of celebration on Thursday, November 9 at the Fairmont Copley Plaza in Boston. Enjoy entertainment, cocktails, delectable food, and more at the premier black-tie party of the year.

Be a part of this special event, celebrate award winners, and show your support of the industry through our ***sponsorship opportunities***.

The Ventus Awards are the Network's highest level of professional recognition, celebrating the trailblazing people, companies, organizations, and work worldwide ushering in the global adoption of offshore wind energy. The Ventus Awards shine a spotlight on those who are making a difference in the world through their talent, drive, and commitment to advancing the offshore wind industry and improving the environment. Awards are presented in eleven categories designed to honor all contributions and facets of the offshore wind industry on a global scale.
