

Floating Frontiers: International Exchange

Attend and co-exhibit at Offshore Wind 2018 Concept to Commercialization in Aberdeen, Scotland as a Business Network for Offshore Wind member

Join the Business Network for Offshore Wind at the Offshore Wind 2018 Concept to Commercialization on October 30, 2018. This is an opportunity to elevate your company as an international attendee at a major floating offshore wind conference. The Network is offering its members a special rate to **attend the conference, network events and share our exhibit space.**

Members will receive these benefits:

- Share the Network's centrally located exhibition space in the exhibition area. The Network will feature participating member logos and display member marketing materials. The exhibition space will serve as a meeting point.
- 1 full single day conference pass per member company which includes networking reception at a cost of US \$775*
- Invitation to attend RenewableUK's Cables Conference (October 31) in Aberdeen. The cost for the floating and cables conferences is US \$1275.*

If you are interested in this member-only, international educational conference and networking opportunity, contact admin@offshorewindus.org or call 443-652-3242 by October 19.

*Prices exclude transportation and accommodation
