The Business Network for Offshore Wind (Network) is a community of offshore wind professionals working to secure profitable business relationship for their companies. Through networking, business intelligence, and research, your company gains a competitive advantage in the marketplace. The Network is the only non-profit organization dedicated to creating business opportunities for the offshore wind industry.

If you want to get in on the ground floor of this emerging industry, gain institutional knowledge and a deep understanding about offshore wind that ultimately leads to competitive advantage while growing your business, become a Member of the Business Network for Offshore Wind.
