WHY JOIN THE BUSINESS NETWORK FOR OFFSHORE WIND?

The Business Network for Offshore Wind is member-driven nonprofit committed to developing the offshore wind industry. The Network brings together businesses in the supply chain, developers, policymakers, and economic development agencies to build and grow the industry for the benefit of our economy, environment, and workforce.

The Network is the leading collaborative voice for the industry.

If you want to play a role in this new and exciting industry, your business needs to be present, relevant, and networking with the right stakeholders – we can make that happen. As the only nonprofit solely dedicated to offshore wind growth in the U.S., 100 percent of your membership dollars go right back into supporting the development of this new industry.
