WHY JOIN THE BUSINESS NETWORK FOR OFFSHORE WIND?

As the **leading collaborative voice** for the offshore wind industry, the Business Network for Offshore Wind brings people together through all stages of the supply chain, making connections that help companies find their own story of success in the industry. To find your place in this nascent industry, your business needs to be present, relevant, and networking with the right stakeholders – we can make that happen. As the only nonprofit organization solely dedicated to offshore wind growth in the U.S., 100 percent of your membership dollars go right back into supporting the growth of this exciting new industry.

WHY SHOULD I BECOME A NETWORK MEMBER?

- Access exclusive member-only benefits, including OSW Market Dashboard, *This Week in Wind* webinars, member-only networking events, industry introductions, and much more
- Establish yourself as an industry leader. Showcase your knowledge and expertise while growing your business.
- Join 550+ other members for unparalleled networking and partnership opportunities
- Receive assistance navigating the unique challenges of offshore wind
- Leverage your ability to quickly act on new and upcoming offshore wind opportunities
- Locate supply chain partners for your project.
- Receive member-only invitations, including speaking opportunities at Network events, early-bird event registration, and more
- Receive regulatory updates that our Policy team breaks down to ensure members understand how changing state and federal guidelines will impact your business
- Get connected! Over one-third of Network members have an offshore wind-related contract.
